— ABOUT NEPTUNES

WHO WE ARE

Neptunes Logistics delivers integrated operational support and supply services with a high level of professionalism, efficiency and reliability across industrial, petroleum, marine and demanding work environments in Egypt.

Our operating model combines rapid response, supply quality, daily requirements management and practical solutions tailored to each client and site condition.

HEAD OFFICE

SUEZ, EGYPT

Supporting multiple locations across Egypt

01

ONE OPERATING PARTNER

A single partner covering food supply, cleaning, safety, maintenance and daily operating requirements.

02

DEMANDING SITE EXPERIENCE

Practical support for petroleum, industrial, desert and marine-related operations requiring disciplined execution.

03

QUALITY & CONTINUITY

Daily supply follow-up, item quality control, alternatives management and consistent service delivery.

— SCOPE OF SERVICES

FULL COMPANY SERVICE SCOPE

From food and catering to safety, industrial supply, welding, metals and electrical devices – under one umbrella.

01 **FOOD SUPPLY**

Fresh, dry, frozen, meat, poultry, seafood, dairy, bakery, beverage and pantry requirements.

02 **CATERING SERVICES**

Meal programs, site catering and dining hall consumables for industrial, petroleum and marine sites.

03 **KITCHEN & RESTAURANT SETUP**

Ovens, ranges, stainless tables, sinks, chillers, freezers, hoods and service lines.

04 **CLEANING SERVICES**

Housekeeping operations, cleaning materials, tools and daily hygiene consumables.

05 **PEST CONTROL**

Insect, rodent and rat control with related materials, devices and operating equipment.

06 **TECHNICAL MAINTENANCE**

Electrical equipment, motors, machinery, cooling units, containers and electrical panels.

07 **COLD CHAIN CONTAINERS**

Supply, operation, rental and maintenance of refrigerated and frozen containers.

08 **WELDING WIRE & CONSUMABLES**

MIG/MAG welding wire, electrodes and industrial consumables through the Fusion Tech factory partnership.

09 **STEEL, STAINLESS & ALUMINUM**

Materials and profiles supplied by size and specification for fabrication and installation.

10 **METAL CONSTRUCTION**

Steel structures, frames, supports, platforms and industrial metal works by project scope.

11 **ELECTRICAL DEVICES**

Panels, breakers, cables, switches, dispensers and operating electrical requirements.

12 **SAFETY & INDUSTRIAL SUPPLY**

PPE, hand/power tools, lifting gear, electrical supplies, steel, stainless and infrastructure materials.

— CATERING & FOOD SUPPLY

CATERING & FOOD SUPPLY SERVICES

Daily and scheduled supply according to site consumption and headcount.

01

INTEGRATED FOOD SUPPLY

Complete coverage of vegetables, fruits, groceries, dairy, frozen items, meat, poultry, seafood and beverages.

02

QUALITY & SHELF-LIFE CONTROL

Expiry date, packaging, storage condition, receiving status and item specification are checked.

03

STRUCTURED CATERING OPERATION

Meal programs and dining hall support according to headcount, site conditions and shift patterns.

04

FAST RESPONSE & ALTERNATIVES

Alternatives are managed when required and urgent requests are handled without interrupting site operations.

FOOD SUPPLY COVERAGE

- ✓ Fresh vegetables and fruits suitable for operational consumption.
- ✓ Groceries, dry goods, dairy, bakery, beverages and snacks.
- ✓ Frozen items, meat, poultry, seafood and kitchen requirements.
- ✓ Daily or weekly supply schedules based on actual site operation.
- ✓ Quality, expiry, packaging and receiving follow-up at site.

KITCHEN & RESTAURANT SETUP

KITCHEN, RESTAURANT & PREPARATION AREA SETUP

Actual industrial kitchen equipment, service lines and cold storage solutions.

INDUSTRIAL COOKING LINE

COLD PREPARATION & STORAGE

01

HOT COOKING EQUIPMENT

Deck ovens, industrial gas ranges, grills, fryers, griddles, warmers and service lines.

02

PREPARATION & STAINLESS STEEL

Stainless tables, sinks, shelves, cutting stations and professional kitchen utensils.

03

COOLING & FREEZING

Upright chillers, freezers, preparation rooms and refrigerated/frozen containers.

04

INSTALLATION & COMMISSIONING

Delivery, installation, testing, commissioning and site coordination.

DINING HALL SERVICES

DINING HALL PREPARATION & OPERATION

Complete dining hall preparation with all operating requirements.

01

HALL PLANNING

Service, receiving, seating, movement and hygiene points are arranged professionally.

02

SERVICE EQUIPMENT

Bain-marie units, trolleys, tables, chairs, dispensers, warmers and serviceware.

03

DAILY CONSUMABLES

Cups, plates, cutlery, napkins, bags, cleaning items and hygiene requirements.

04

OPERATION FOLLOW-UP

Stock follow-up, recurring supply execution and daily dining hall requirement management.

— CLEANING SERVICES

CLEANING & HOUSEKEEPING SERVICES

Site cleaning operations and daily hygiene material supply.

- ✓ Cleaning support for work sites, offices, kitchens, restaurants and dining halls.
- ✓ Supply of cleaning chemicals, disinfectants and daily consumables.
- ✓ Operating tools: mops, brooms, buckets, dispensers, bins and garbage bags.
- ✓ Support for public health compliance and a professional site appearance.

AREAS COVERED

WORK SITES

OFFICES

KITCHENS

RESTAURANTS

DINING HALLS

HOUSEKEEPING OPERATIONS

Scheduled and daily cleaning routines carried out by site-based teams.

MATERIALS & CONSUMABLES

Chemicals, disinfectants and hygiene items supplied on a recurring basis.

TOOLS & EQUIPMENT

Mops, brooms, buckets, dispensers, bins and garbage bags kept in stock.

PEST CONTROL SERVICES

PEST CONTROL & RODENT MANAGEMENT

Effective solutions for open spaces, desert sites and demanding operating conditions.

**RODENT STATION****BAIT & MONITORING SYSTEM****01****FLYING & CRAWLING INSECTS**

Internal and external treatment programs according to site layout and infestation points.

02**RODENTS & RATS**

Rodent stations, traps, baiting, routine follow-up and pest control documentation.

03**DEVICES & MATERIALS**

Supply of stations, traps, sprayers, devices and related operating materials.

04**FOLLOW-UP REPORTS**

Regular visits, issue handling and program updates according to site findings.

— MAINTENANCE & COLD CHAIN

TECHNICAL MAINTENANCE & REFRIGERATED / FROZEN CONTAINERS

Technical and operational support to maintain site continuity.

01

ELECTRICAL MAINTENANCE

Electrical equipment, panels, cables, operating circuits and high-voltage scope where required.

02

MECHANICAL MAINTENANCE

Motors, machinery, operating units, spare parts and maintenance consumables.

03

COOLING UNITS & CONTAINERS

Maintenance, operation and rental support for refrigerated and frozen containers.

04

OPERATIONAL RESPONSE

Inspection, issue identification, solution provision and maintenance execution by priority.

— OWNED COLD CHAIN CONTAINER FLEET

COMPANY-OWNED REFRIGERATED & FROZEN CONTAINERS FOR RENTAL

Real operating capability for petroleum sites, factories and temporary projects.

NEPTUNES CONTAINER – SIDE VIEW

NEPTUNES CONTAINER – DOOR & DATA PLATE

01

OWNED CONTAINER UNITS

Neptunes owns refrigerated and frozen containers that can be operated or rented according to project needs.

02

RENTAL & OPERATION

Rental support can include transportation coordination, site positioning and operational follow-up by scope.

03

COLD CHAIN SUPPORT

Temperature-controlled storage solutions for food materials, frozen products and sensitive requirements.

04

MAINTENANCE FOLLOW-UP

Technical and operational follow-up for containers and cooling units to ensure service continuity.

— WELDING WIRE & FUSION TECH PARTNERSHIP

WELDING WIRE, ELECTRODES & WELDING CONSUMABLES

Neptunes Logistics is a major partner in the Fusion Tech Welding Wire Factory.

NEPTUNES LOGISTICS IS A MAJOR PARTNER IN THE FUSION TECH WELDING WIRE FACTORY.

A strong partnership in Fusion Tech gives Neptunes better production follow-up, quantity commitment and reliable supply capability.

MIG/MAG WELDING WIRE

WELDING ELECTRODES

INDUSTRIAL CONSUMABLES

PACKING & DELIVERY COORDINATION

01

DIRECT SUPPLY STRENGTH

A strong partnership in Fusion Tech gives Neptunes better production follow-up, quantity commitment and reliable supply capability.

02

MULTIPLE SPECIFICATIONS

Welding wire, electrodes and welding consumables can be supplied by required specification and industrial use.

03

TECHNICAL & COMMERCIAL SUPPORT

Technical and commercial offers can be prepared by diameter, type, packaging, quantity and delivery location.

04

PROJECT RELIABILITY

Suitable for factories, steel structures, heavy maintenance and operational sites requiring continuous supply.

— METALS & METAL CONSTRUCTION

STEEL, STAINLESS STEEL, ALUMINUM & METAL CONSTRUCTION

Materials, profiles, fabrication and installation according to project specifications.

01

STEEL & PROFILES

Sections, sheets, pipes, beams, angles and fabrication materials supplied by required size.

02

STAINLESS & ALUMINUM

Sheets, pipes and accessories for kitchens, factories, utilities and project applications.

03

METAL CONSTRUCTION WORKS

Steel structures, supports, bases, platforms, sheds, facades and industrial installation works.

04

TECHNICAL COORDINATION

Drawings, quantities, specifications and delivery are coordinated according to execution schedule.

ELECTRICAL DEVICES & EQUIPMENT SUPPLY

ELECTRICAL DEVICES & OPERATING EQUIPMENT SUPPLY

Electrical operating requirements for sites, kitchens and factories.

ELECTRICAL DEVICES & OPERATING EQUIPMENT SUPPLY

Electrical operating requirements for sites, kitchens and factories.

PANELS, BREAKERS & CABLES

SITE OPERATING DEVICES

INSTALLATION & MAINTENANCE SUPPORT

SPECIFICATION-BASED SUPPLY

01

PANELS, BREAKERS & CABLES

Electrical panels, breakers, cables, conduits, switches and operating accessories.

02

SITE OPERATING DEVICES

Water dispensers, light electrical equipment, fans, heaters and required operating units.

03

INSTALLATION & MAINTENANCE SUPPORT

Technical team support can be provided for installation, commissioning and follow-up by scope.

04

SPECIFICATION-BASED SUPPLY

Alternatives and offers are prepared by brand, capacity, voltage and required quantity.

— INDUSTRIAL SUPPLIES & INFRASTRUCTURE

INDUSTRIAL SUPPLIES, TOOLS & INFRASTRUCTURE WORKS

Operating materials, tools and site support services.

**01****INDUSTRIAL SUPPLIES**

Hand and power tools, mechanical equipment, welding supplies, lifting and rigging gear.

02**STEEL & STAINLESS**

Steel and stainless-steel materials, fabrication and installation supplies according to specifications.

03**ELECTRICAL & UTILITIES**

Cables, panels, conduits, cable trays, connection and operating materials.

04**INFRASTRUCTURE WORKS**

Support for electricity lines, water lines, sewage and site utility networks as per project scope.

— SAFETY & PPE SUPPLIES

SAFETY & PERSONAL PROTECTIVE EQUIPMENT

Wide PPE supply range according to required specification, quantity and brand.

AUTHORITIES & CONTRACTORS

INDUSTRY & MANUFACTURING

These entities are listed as examples of previous supplies, project work and operating services. Detailed scope information or supporting documents can be provided upon request.

— QUALITY, HSE & OPERATING CONTROL

OPERATING METHODOLOGY, QUALITY & HSE CONTROL

A clear working system from request capture to execution and follow-up.

01

REQUIREMENT CAPTURE

Quantities, specifications, delivery timing and location are reviewed.

02

PREPARATION & APPROVAL

Items are prepared, quality checked and alternatives approved when needed.

03

EXECUTION & SUPPLY

Organized delivery, receiving follow-up and issue handling.

04

FOLLOW-UP & IMPROVEMENT

Requirements are updated, comments handled and continuity maintained.

SUPPLY QUALITY

Items and specifications are checked before delivery.

SITE COMPLIANCE

HSE, access and receiving requirements are respected.

RESPONSE FLEXIBILITY

Urgent and changing requirements are handled quickly.

COMMERCIAL DOCUMENTATION

Quotations, invoices and official documents can be issued as needed.

— INDUSTRIES SERVED

INDUSTRIES SERVED & WHY NEPTUNES

Dependable operational support for sites requiring speed, quality and continuity.

OIL & GAS

Operational sites requiring discipline and rapid response.

MARINE & OFFSHORE

Supply and support aligned with marine operating needs.

FACTORIES & INDUSTRIAL ZONES

Daily food, cleaning, safety and maintenance requirements.

PROJECTS & TEMPORARY SITES

Flexible support according to project duration and headcount.

WHY CHOOSE NEPTUNES

RELIABILITY

Organized execution and continuous follow-up.

QUALITY

Suitable suppliers and products are selected.

COVERAGE

Ability to support multiple locations across Egypt.

ONE PARTNER

Operating needs consolidated under one channel.

PRICING BASIS

COMMERCIAL NOTES & QUOTATION-ONLY RANGES

v2.1 · issued 24 Sep 2026 · prices in EGP · validity: per formal quotation

CURRENCY, VERSION & VALIDITY

All prices are quoted in Egyptian Pounds (EGP). This is price list v2.1, issued 24 Sep 2026; prices remain subject to final availability, delivery terms, tax treatment and the validity stated on the formal quotation.

ITEM CODES

Every item carries a Neptunes code (VEG-016, GRO-039, ASN-...). Quote the code on purchase orders and requests to avoid ambiguity; Asian-range codes keep the supplier reference.

SAFETY, PPE, TOOLS & INDUSTRIAL

These product groups are listed as ranges. They are priced in a formal quotation according to brand, specification and requested quantity.

ORDERING & DOCUMENTATION

Quotations, invoices and official documents are issued per client request. Items marked † carry an abbreviated description to be confirmed at ordering.
